" North Wales is a treasure chest of historical associations, glorious scenery, a memorable place to visit and friendly, genuine people. My knowledgeable companionable, obliging guides, not only spilled open the treasure chest for me; they also offered me some very precious 'hidden jewels'. Every day was packed with adventure, but enjoyed at a civilized pace. "

Pam Mayer, North Carolina,

"Before I went on my trip with Simply Nice Tours. I read comments from other clients on the website and took them with a grain of salt. After my trip I realized that they had had the same wonderful experience that I had. Stephen and Bryn were kind, considerate, flexible, organized and FUN! I feel that I was able to spend time in the real Wales (not just shuffled in and out of famous sites) and I loved every minute of it. I enjoyed my accommodations at the Moelwyn very much and the location was great."

Dr. Kathryn Garrett, Pittsburgh, PA

"...a wonderful personalized way to see the places off the beaten track."

Rosalie Bernard, Germantown, OH
